

SPONSORSHIP

About Iona Sports Club

The Iona Sports Club was established in 2016 with the aim of increasing participation and providing opportunities for youth from both St Columba Anglican School and the wider Hastings community, to participate in local sport and further develop their skills.

With the recent and projected development of the Port Macquarie Hastings regions, we believe there is a definite space for an additional sporting association to account for this growth in the area. Our foundation sports commencing in 2018 are netball and football, it is our hope that the club expands into a wide variety of local sporting competitions in the future.

Club Objectives

- Developing grass-roots participants in a variety of sports
- Utilising the wonderful facilities of St Columba Anglican School as a venue for training and home games (where applicable).
- Create a positive environment for players to compete and enjoy sport in both training and competing on the field
- To make sport a lifelong activity for both the St Columba Anglican School and wider Hastings community.

Why Iona Sports Club?

Your business now has a unique prospect to boost your profitability by partnering with the Iona Sports Club. As the new club on the block, we have legacies and traditions to create which your business has the potential to be the foundations of. With 28 Football and 8 Netball teams registered in the club's inaugural year, there will be great opportunities for exposure at both games and our fantastic facilities at St Columba Anglican School.

From the Club President

Terry Muldoon

Why Iona Sport?

Research is clear that physical exertion is good for brain development and is linked to academic success. It also shows that the ability to work as part of a team and the on-field problem-solving of sport is a great foundation for future success.

Iona Sport is about:

- Supporting the health and growth of the individual – physically and socially.
- The joy of friends working and playing together
- Participating as much as winning.
- Being part of a community.
- Developing grit and resilience
- Facing the challenge of both winning and losing with grace and dignity.

The Iona Sports Club is about the opportunity to be part of something wonderful. **Game on!**

Sponsorship Packages

By sponsoring the Iona Sports Club, you are supporting grass-roots sporting development as well as making an excellent contribution to the local community. Currently, we have two packages available with chances for further growth and packages tailored to your business' budget.

At present any sponsorship funds will be utilised for the club's initial setup as well as the purchasing of sporting equipment. Once more established, future funds may be allocated to talent development .

Silver Package

\$500 includes:

- Advertising on club media i.e. website.
- Formal recognition and exposure at award ceremony including award dedications

Gold Package

\$1000 includes:

- Advertising on club media i.e. website.
- Formal recognition and exposure at award ceremony including award dedications.
- Banners (for display at Iona Sports Club home ground games) for the duration of the season.
