AUGUST 2021 | MID-SEASON ISSUE #2

THE MAROON SEASON KICKS ON!

After the Mid Season Break for school holidays and some rain we just got back in the swing of the season COVID-19 has caused another pause to the season.

We are now in the hands of NSW Health and NSW Government to see if we can get any more football this season. Fingers crossed we can all remain safe and we can return to some form of normal.

Iona will keep you informed as we receive information regarding the season.

Stay safe and hopefully we'll see you on the field soon.

Tony Judge
Iona Football Club President

COACHES CORNER

All of our coaches have done an amazing job this season. Thank you to all the families that have supported your team to help get through the season.

It is a challenging time as the season comes to an end and we start to plan for season 2022. In MiniRoos when teams move up a field and numbers in the team change it becomes a big jigsaw to make sure everyone gets a game. This has caused a few issues in the past particularly in U8, U10, U12 ages as all teams cannot stay together. Can I please ask all coaches to speak with families to see who is returning to their team and we can gauge where we need players for next season.

COMMUNITY

Love where you play

Iona Football Club is lucky to be able to use St Columba Anglican School grounds for games and training. Please follow road signs, drive slowly, park in marked areas (not Columba Cottage Pre-School), take your rubbish with you and look after all the equipment. Share the love for our ground this season – let's keep our venue top notch all season.

SPONSORS

We are very fortunate to have so many great sponsors. Please support these local businesses where you can or just pop in and say thank you.
